COMMUNITY ENGAGEMENT

We anticipate regular residents meetings to keep you updated. Dates to be confirmed

It is our intention to engage with the local community over the next few months with a mission to help raise funds for local charities.

Recently Kier Infrastructure raised over £32,000 for charity after its employees took part in the 1,000-mile 'Integrating Infrastructure' fundraising challenge.

There are a number of Kier employees partaking in Ben Nevis Climb Challenge in June 2015 to raise funds for local charities in Fort William as part of our community engagement on an ongoing project in Fort William.

The Kier Foundation is registered with the charities commission; its registered number is 1144803
